

## Wet Stone Grinders

### IDEAL FOR HOME AND THE SMALL WORKSHOP

Correct grinding and honing is an art in itself. Without training and experience, costly mistakes can be made and expensive tooling ruined. This Wet stone sharpening system offers superb, professional results and a razor sharp finish every time. With total accuracy and sharpening efficiency this Wet Stone sharpening system is easy to use even for a beginner. Ideal for the home and small workshop and with a comprehensive range of accessories, it is perfect in producing sharp cutting edges to knives, scissors and tools. Extensive accessories are included with the standard equipment. The Wetstone Sharpening System offers superior technology for professional results every time - even if you are a novice.

### Features: TiGer 2000 (200x40mm K220 Stone)

- Solid, sheet steel casing with splash proof motor & switch, fast cut aluminium oxide grinding wheel suitable for mild and HSS material, powerful 120W motor with a duty cycle of 30 min. Also incorporates a heavy duty water reservoir for cooling wheel & tools. TiGer 2000 includes a universal Jig, Angle guide & Abrasion plate.
- Includes a special stone containing grain of aluminium oxide to achieve the perfect grinding results at a much faster time, also ideal for HSS tools
- Includes Jig for straight edges, plane irons, ripping chisels
- Includes Angle setting jig for measuring exact angles and settings
- Includes Break-proof water tank and abrasive paste for honing
- Removable Leather Honing wheel. After Sharpening, it removes the burr to give you a smooth edge
